

Brown University
Examination Schedules

Fall 2025

For information regarding the dates and times for final examinations for the Fall 2025 semester, please consult the course listings in the [Fall 2025 Courses@Brown](#) to determine to which examination group a course has been assigned. Note that every course is assigned to an examination group even though only some courses actually schedule exams during the examination period.

The locations for final examinations for Fall 2025 will be posted here in November.
